

The UCSD Retirement Association invites you to attend:

## Food Demo Series

presented by our very own UCSD Retirement Association Members

Join us for presentations by members of the UCSD Retirement Association who will share how to prepare some of their favorite dishes from around the world. In these demos, members will share how to succeed in making your own soups and stews, how to perfect your cake-decorating technique, and bring delicious flavors from around the world.

Please RSVP at <https://hrweb.ucsd.edu/ra/> for EACH Food Demo. This coming year, all the Food Demos will take place in-person UC 409 Study Abroad Dance Hall. Lunch will also be provided upon a payment of \$7 per member at <https://quickclick.com/r/9om3w>.
