

iPhoneography

Learn to use the camera you have with you all the time!

Create spectacular photographs with your iPhone anywhere you are, everywhere you go. You can easily practice and add to your visual memory and storytelling. Each of the four sessions will focus on the nuts and bolts – learn how to take a great shot, organize and store your photos, use editing apps, and share/print your images. Please bring your charged iPhone, Apple user ID, password.

Mondays in October from 10:00AM to 11:30AM

\$60 for the full course or \$20 per session

Take Better Photos	October 9
How to use all the options on your iPhone camera

How to use the editing tools in iPhone Photos app	
Share your Photos	October 30
Displaying online, posting on social media, emailing, texting, printing	

Kim SignoretPaar, Photographer

Kim tells stories with her camera, creating images of people and places with a sense of how the moment feels, opening the curtain for the viewer to see, imagine, feel. With a degree in journalism from the University of Iowa, she went west in 1980. Her career in California and Mexico focused on public relations, publishing, and fundraising. Since 2009, Kim has immersed herself in photography and in 2014 and 2023, she won Best of Show at the International Exhibition of Photography at the San Diego County Fair. In addition to competing and showing her photography in various venues, Kim teaches iPhoneography and photography at the UC San Diego Retirement Center. She is currently president of Poly Photo Club at Balboa Park. Email Kim with any questions kim@signoretpaar.com Her website www.signoretpaar.com
