The UCSD Retirement Association invites you to attend:

Archaeology & History Series
led by expert historians, researchers, and explorers of UC San Diego

Join us at the UCSD Retirement Association as we explore history and cultures ranging from within our San Diego community to Europe, Asia, and the deepest parts of the ocean. In these presentations, they will discuss about the Kumeyaay who lived in San Diego County for 12,000 years, about one expert team’s journey to the Mariana Trench, exciting archaeological findings in both the sea and the land, and the unique histories of Italy, Taiwan, and more!

Please RSVP at http://hrweb.ucsd.edu/ra/. You must RSVP to receive the Zoom link, which will be sent out one day prior to the event.
